Valley-Daylight Lodge has been really busy so far this year. In the month of January alone, we heard a MM proficiency and later that same morning two FC proficiencies. Those two were then raised at a called meeting the following weekend. We also had about a dozen attend and pass the constitutional quiz and about the same number participated in the video educational conference the next week. As you can see below, we have plenty to do the next couple of months so make sure you come out and join in.

There are frozen 4 oz rib eyes for sale. They are \$2 ea. so please see Bro Don Sergeant if you'd like some.

If you have anything you'd like to add to the newsletter, please send me the information.

Please make sure and let us know if your address, phone number or email address changes so we can keep our contact info up to date.
